

Journal of Techniques

31 December 2019 Volume 1, Issue 1

Title	Page Number
Cover	
Editorial board	
Table of contents	
Editorial Paper	
Editorial paper - Engineering	1-2
Editorial paper - Medical Techniques	3
Editorial paper - Management	4-5
Engineering Section	
Performance measurement using overall equipment and resource effectiveness - A concrete block manufacturing case study	6-17
Flyback converter controlled by arduino Uno	18-29
Microstrip wireless antenna used by capsule for stomach internal photography	30-38
Modeling, simulation and implementation of photovoltaic panel model by proteus software based on high accuracy two-diode model	39-51
Medical Techniques Section	
Antibacterial activity of palm heart extracts collected from Iraqi phoenix <i>Dactylifera L.</i>	52-59
